General Disclosure

All rights reserved by CAPM (Capital & Asset Portfolio Management) Company Limited.

This document is intended to be of general interest only and does not constitute legal or tax advice nor is it an offer for BUY or invitation to BUY units of the CAPM BDBL Mutual Fund 01 (CAPMBDBLMF). Nothing in this document should be construed as investment advice.

The value of units of the fund and income received from it can go down as well as up, and investors may not get back the full amount invested. Past performance is not an indicator or a guarantee of future performance.

An investment in CAPMBDBLMF entails risks, which are described in the fund's prospectus. Special risks may be associated with the fund's investment in certain types of securities, asset classes, sectors, markets, currencies or countries.

Top Holdings represent the largest holdings of the fund as of the date indicated. These securities do not represent all of the securities purchased, sold or recommended for clients, and the reader should not assume that investment in the securities listed was or will be profitable.

Please contact CAPM Company Limited if you require any further information about the fund.

Risk Factors

Because the Fund is being invested primarily in equities of companies across sectors, it may experience greater volatility than a more diversified fund. Securities risks include economic and political uncertainties. Investments in capital market instruments are subject to a higher degree of market risk. The Fund may be subject to a variety of risks in addition to those described herein. Please read the Prospectus for a full discussion
