### INDEPENDENT AUDITOR'S REPORT To the Trustees of CAPM IBBL Islamic Mutual Fund

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of CAPM IBBL Islamic Mutual Fund (here-in-after referred to as "the Fund"), which comprise the statement of financial position as at 30 June 2025, statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give true and fair view of the statements of financial position of the Fund as at 30 June 2025 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and Securities and Exchange Rules, 2020, Securities and Exchange Commission (Mutual Fund) Rules, 2001 and other applicable laws and regulations.

#### Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)*, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of matters

1. We draw attention to Note # 19.1, where the Fund has disclosed the reason for dropping the NAV at the year end. Had this provision been made earlier, the NAV would have been lower than what had been reported in the past.
2. As disclosed in Annexure-A Taka 66,578,506, 53,306,400, 71,529,123 in Beacon Pharmaceuticals PLC., Ranata PLC., and Social Islamic Bank PLC., at cost representing 12.51%, 10.02% and 13.45% of total assets as against statutory limit of 10% of its total assets in any particular company resulting in non-compliance of the provision as per of Rule 56 and 5<sup>th</sup> schedule of the Securities and Exchange Commission (Mutual Fund) Rules, 2001.
3. As disclosed in Annexure-A Taka 66,578,506 and 71,529,123 in Beacon Pharmaceuticals PLC., and Social Islamic Bank PLC. at cost representing 22.29% and 23.95% of total investment as against statutory limit of 20% of its total investment in any single company or group resulting in non-compliance of the provision as per Rule 56 and 5<sup>th</sup> schedule of the Securities and Exchange Commission (Mutual Fund) Rules, 2001.
4. As disclosed in Annexure-A Taka 137,393,474 and 195,129,921 in the engineering, pharmaceuticals and chemicals sector at cost representing 25.83% and 36.68% of total asset as against statutory limit of 25% of its total assets in any particular industry resulting in non-compliance of the provision as per Rule 56 and 5<sup>th</sup> schedule of the Securities and Exchange Commission (Mutual Fund) Rules, 2001.

Our opinion is not modified in respect of these matters.

### **Key Audit Matter**

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Existence and Valuation of Investment**

The Fund has invested Taka 298,656,109 in capital market instruments which is substantial portion of its total net assets.

The valuation and existence of the portfolio of investments is considered as a key audit matter due to the magnitude of potential misstatement as the portfolio of investments represents the principal element of the net asset of the Fund. Valuation of investments is required to be in compliance with the valuation policy as approved by the Trustee in a compliance with Bangladesh Securities and Exchange Commission (Mutual Fund) Rules, 2001.

### **How the Scope of Our Audit Responded to the Key Audit Matter**

We have gained an understanding of the internal controls and operating effectiveness of key controls for the valuation and existence of investments. We have tested the valuation of the investments by confirming the compliance with the valuation policy as approved by the Trustee in compliance with Bangladesh Securities and Exchange Commission (Mutual Fund) Rules, 2001. We have confirmed the closing market price as at 30 June 2025 and checked the recording of the changes in fair value.

We have tested the existence of the investments by obtaining and reconciling CDBL report, Brokerage Houses portfolio and ledgers. Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standard.

### **Other Information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report but does not include the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of these other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Asset Manager of the Fund is responsible for the preparation and fair presentation of the financial statements in accordance with International Accounting Standards (IASs), International Financial Reporting Standards (IFRSs), Securities and Exchange Rules, 2020, Securities and Exchange Commission (Mutual Fund) Rules, 2001 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud and error.

In preparing the financial statements, the Fund's ability to continue as a going concern should be assessed, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting till the tenure of the Fund unless there is any intention to liquidate the Fund or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. However, we have not come across any significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other Legal and Regulatory Requirements**

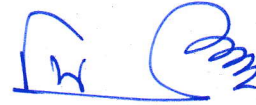

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules, 2020, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of accounts as required by law have been kept by the Fund so far as it appeared from our examination of these books;
- c) the Fund's statements of financial position and statement of profit and loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns; and
- d) the expenditure incurred was for the purposes of the Fund's business.
